The statement of principles for amending the Municipal and Local Boards Regulations were placed before the -- Representative Assembly and further action has to be taken for drafting the necessary amending bills. The -- draft Government Orders on the recommendations of the Local Self-Government Conference have to be revised and issued. A separate bill for Village Panchayets has to be drafted and placed before the Legislative Council. In order that the scheme of Village Panchayets may be introduced with the least practicable delay it seems desirable to have the rules drafted and issued simultaneously with the Regulation. The grouping of villages into Panchayets requires a -- good deal of consultation with the -- Local Officers and the leading Gentlemen in the rural parts. The draft Local Tax Fund Manual has to be recast so as to be in accordance with the revised -- scheme to be approved by Government.

My term of office as Special Officer for Local Self-Government expires at the end of the current month and I solicit the instructions as to whether the work to be done in this connection

It is necessary that Mr B D Keshon 2 years has drafted the new regulations. He has secured the subject; followed the discussion & he is likely to bring me the special discussion in the regulations. He may be considered for another ^{two} ~~three~~ months but the end of ~~January~~ December. There is provision for that in the budget.

Final Note by the First Member of Council

Subject:—

Extension of the term of office of the Special Officer dealing with recommendations of the Local Self Government Conference.

The term of Mr. B.T.Kesava Iyengar, Special Officer, appointed to deal with the recommendations of the Local Self Government Conference expires at the end of the current month.

The statement explaining the principles for amending the Municipal and Local Boards and Village Panchayet Regulations was placed before the recent Session of the Representative Assembly and the principles were accepted in toto by that body. It now remains to incorporate the new principles in amending Bills for being placed before the Legislative Council. As Mr. Kesava Iyengar has studied the subject and followed the discussions, he can bring out the spirit of the discussions in the amending Bills, if he is entrusted with their drafting. I am accordingly of opinion that he may be continued as Special Officer for another two months, i.e., till the end of December 1924. There is provision for this in the budget.
